Summer Day Camp

Memorial and Terrace Parks and the University Village Community Center were the sites of the Albany Park and Recreation Department's annual Summer Day Camp program, in which more than 300 children were divided into separate age groups for boys and girls in most instances so that appropriate activities could be planned for each group. An example of this variety would be the series of cooking lessons provided for older girls enrolled in the Community Center Day Camp.

The daily program featured calisthenics at 10:00 a.m. followed by low organized activities and athletic school for boys, and crafts, singing, dancing and girl talk for girls. The boys' athletic school instructed boys in all major sports, and girls were also given an oppor-

tunity to learn the fundamentals of football, baseball and soccer.

Punch was provided for daily lunches. Surprises included ice cream, watermelon and parties. Friday swimming was a part of the weekly program.

Each Tuesday, the children in all three day camps went to local places of interest by chartered bus. Such all-day outings were taken to the San Francisco Zoo, a Giant baseball game, Tilden Park, Moss Beach, Lake Meritt Fairylund, the San Francisco Aquarium, Knowlton Park and a San Francisco Warriors Basketball Clinic.

A staff of 15 experienced directors supervised the activities.

Fourth of July

A throng of 2000 partook of the Fourth of July activities at Memorial Park. The event, sponsored by the Park and Recreation Department, featured watermelon-eating contests sponsored by the Albany Lions Club, and a series of races for children, egg-throwing contests, races, and a softball throw for teenagers and adults.

A horseshoe throwing contest lured a fine field of throwers, and entertainment was provided by a square dancing group under the direction of Mr. Charlie Koutz at the Albany High Gym. The Albany Legion team participated in a four-team baseball tournament, and the traditional Little League Pops softball game ended the day's festivities.

Summer Pet Show

The Albany Park and Recreation Department sponsored its annual Pet Show on Saturday, August 24, at Memorial Park with over 75 pets and their owners participating. Trophies and ribbons were awarded by the Recreation Department in the following categories: dogs, cats, reptiles, rodents, birds, best pet of the show, and most unusual pet. Owners varied in age from 2 to 18 years.

Liniment League-First Half

Little League Pops #2 went undefeated through the first half of the Liniment Softball League and are prepared for the climax of a best-of-one game playoff with the winner of the second half; if they also win the second half, however, there will be no playoff. John Bartolo, ace hurler, and his teammates have been winning with rookie-like hustle and the knowledge of veterans, both in the field and at the plate.

Master Plan for Albany Parks and Recreation Department

The Albany Park and Recreation Department is presently in the process of creating a Master Plan for Parks and Recreation for the City of Albany. What is a Master Plan? It is simply a proposed guideline for development of future needs. It is the blueprint by which the present and future governing bodies will hopefully adhere to, to provide the necessary facilities for the community. To ascertain the desires of the community we ask that you, the users of our facilities, answer the following questions and offer any suggestions you feel should be included in the Master Plan. Please send your answers to the Park and Recreation Department, 1000 San Pablo Avenue.

1. Are you content with the present facilities? Would you suggest renovation of some existing facilities? If so, how?
2. Would you suggest new facilities? If so, what kind and where?
3. If you feel there is a need for additional facilities, how would you suggest financing of such facilities?
4. If, and we hope you are, a frequent visitor to our Park and Recreation Areas, what discourages you about the facility? What encourages you to return?

Your answers to these questions have a direct bearing on the future needs for the City of Albany.

Those attending from Albany area include Joseph and Martha Jeans of Jeans Realty, and Jerome Blank, Albany Realtor. Blank is one of the featured speakers and will give an address on Wednesday, Oct. 2.

Blank has been nominated as an honorary Life Director of the State association and is chairman of the CREA Constitution and By-Laws committee.

Other high lights of the convention include an address by Gov. Ronald Reagan Tuesday.

PROMOTED

Tracey of 1125 Neilson St., Albany, was promoted to his present rank while serving with the First Marine Division in South Vietnam. As a member of the division he helps capture or destroy enemy forces. During large and small scale operations he is supported by Marine air units, tanks, artillery, amphibian tractors and engineers.

EXTENSION

Governor Reagan has approved legislation which will extend the filing deadline for Senior Citizens property tax assistance claims until Oct. 15. The former deadline was Aug. 31.

Oct. 1; a conference on the "Realtors' Role in Politics" with addresses by Senator Lewis F. Sherman and Assemblyman John T. Knox on Wednesday, Oct. 2, and addresses on Thursday, Oct. 3, by Real Estate Commissioner Burton E. Smith, and by Dr. Max Rafferty, State Superintendent of Public Instruction.

LETTERS

Copy of letter to John R. Quirk:

I was deeply intrigued by the content of your letter in today's issue of the Thousand Oaks Times, dealing with "atomic devices" for the detection and triangulation of explosives and other dangerous material. The alleged fact that such material can be detected and pinpointed using atomic reactors, such as those in Berkeley and Los Angeles is fascinating.

I have been engaged in research in atomic physics and nuclear medicine for a number of years, including time with the Armed Forces; and I have not encountered such equipment.

If such apparatus actually exists, and such pinpoint triangulation is feasible, its use would be of prime importance not only in civil commotions, but also in time of war. I would greatly appreciate more information, within limits of security, of course, as to the nature and availability of this device.

land from first residential to R-1250 was held over another week, much to the dismay of those who own the property.

Ralph Johnson of Oakland was granted permission to open a ball bond office at 928 San Pablo Ave. An ordinance amending the charter's section on civil defense passed on first reading.

Commendations

Albany Lions club was commended publicly and will receive a letter of commendation from Council for their tree-planting project on Dartmouth last Sunday, the second such project completed in the city by the club.

American Legion post 292 will receive a letter of commendation for advertising Albany through its outstanding drill team, which displays the Albany city flag. Councilmen will forward \$50 of budgeted funds to the post.

Council considered the problems of better lighting in Memorial park, which will come up again next week, and what neighbors can do about messy dogs in their neighborhoods. Councilman Joe Carlevaro said he receives many telephone calls from people asking what their rights are in this respect. Administrative Officer James B. Turner will prepare a report, which may be

B. E. Larimore of 627 Talbot submitted a claim for damage to his car by a city vehicle. The claim was denied and referred to Saler and the insurance carrier.

A letter from a man describing his hospitable treatment in Albany's "Sister City," Beppu, Japan, drew laughter from councilmen because the city is not yet Albany's official Sister City.

Albany Municipal Employees association requested and received permission to review the draft of a proposed ordinance concerning disciplinary action for non-uniformed employees.

Council approved advertising for bids for BART plans to widen and repave Masonic Ave.

They set Oct. 28 as the date for a public hearing on the request to close a garage on San Carlos and use it for living space. This prompted a discussion of parking problems in the city.

LET'S BE a little calendar-conscious this fall and winter, shall we? They're keeping the Albany Coordinated Calendar at the Fire Station and we at the Times have lots of dates, including those set up by the school system so there is little excuse for conflicting dates of major activities. Be sure to check first and decide on your date early.

SUPERVISOR JOE BORT made an interesting point at the meeting of Albany Republican Assembly last Wednesday night. Explaining why county taxes are high, he said that over the past

High School Diplomas Issued at Adult School

Adults who have not yet completed their high school education should note that the Albany Adult school conducts a program leading towards acquisition of a high school diploma.

Counseling is available, and part of this service is to locate previous school records, evaluate work experience, and recommend a course of study that would fulfill state and local graduation requirements.

Many students are surprised to find that through work experience, military duty, and job training, only a few courses are needed for a diploma. Morning, afternoon and evening classes have been scheduled for the convenience of interested adults. Those desiring further information are requested to contact the Adult school office at 526-6441.

On this day, Private Latronico's
squad, which was the point ele-
ment for the company, came into
contact with an unknown enemy
force. Immediately Private La-
tronico began laying down a
heavy base of fire to enable the
wounded to be extracted and to
allow the rest of the platoon to
get on line. As soon as the pla-
toon was on line, Private Latron-

volume of enemy grenades
thrown at him, he held his

Blank Appointed

ROBERT HANNON, left, chairman of Alameda County Board of Supervisors and candidate for State Senate, has appointed Jerome Blank, Albany Realtor, as chairman of his campaign in 17th District.

Hannon Appoints Blank Local Campaign Chairman

Jerome Blank, Albany Realtor, was appointed by Supervisor Bob Hannon to head the Hannon for Senate campaign in the 17th Assembly District, covering all of Albany, and portions of Berkeley and Oakland.

"I am very happy to support Bob Hannon and to work for his election," said Blank. "Bob Hannon's record as chairman of the Board of Supervisors is outstanding. He has taken a strong position on law enforcement and favors the reduction of property taxes for the homeowner."

Blank designated 1553 Solano Avenue, Berkeley, as the Hannon headquarters in the 17th District, and appointed the following to serve on his local campaign committee: finance chairman, Charles

Ringo; advertising sign chairman, Jack Maloney; veterans' chairman, H. W. "Bob" Robinson, who is also the Berkeley Area chairman, and Helen Baum, program chairman.

"A great many people are joining the ranks of Hannon volunteers," said Blank, "and anyone desiring to work in the Hannon campaign may call 526-4215 for assignment to one of the Hannon committees."

Blank also indicated that Mayor Wallace Johnson of Berkeley and Mayor John Reading of Oakland have endorsed Bob Hannon, as well as veteran Albany Councilman, Lewis M. Howell.

Win a wife.

Ride the bus. Save. Buy her mink.

Face it, men! Nothing unlocks a doghouse like mink. But it's not easy to come by . . . unless you see the light and ride AC Transit to work. New figures by the U.S. Bureau of Public Roads show the cost of operating a car is almost 12 cents a mile. Do your own arithmetic. Get rid of your second car. Use fast, comfortable AC Transit. With the money you save you can win a wife! Girls: be sure The Man sees this. For Transit information call: Oakland, 653-3535; Hayward, 582-3035; Richmond, 232-5665; San Francisco, 434-4334.

Feenys to Europe

FLOWER GIRL KWAI FONG pins a posie on Mrs. William F. Feeny of 61 Kingston Road, Kensington, as her husband beams. The pinning took place prior to the Feenys boarding a World Airways 707 jet at Oakland International Airport, for a non-stop flight to Paris as members of a charter organized by the Lincoln Child Center of Oakland. Feeny, for years was vice-principal and dean of boys at Albany high school and the athletic field is named in his honor. The Feenys visited six European countries.

Senior Citizens

846 Masonic Ave.
By Emma Claymore

We are happy to welcome our capable director, Beulah Belling, back looking rested and happy after her well-deserved vacation. A large crowd of 80 Seniors attended the birthday celebration Thursday, Sept. 26, for those who have birthdays in August and September. The honorees, numbering 14, were seated at a decorated table and served the traditional cake, ice cream and coffee, supplemented by their own lunch which they had brought from home. Mr. and Mrs. Tom Alexander of Los Angeles were visitors. He is president of the Lynwood Senior Citizen club. We are sorry to report that Kathryn Kay, our former president, is quite ill at home suffering from arthritis. She has been a very faithful, hard working member for many years and we wish her a speedy recovery. Those who went on the bus trip to Brannan Island near Rio Vista last Tuesday report a good time in spite of the heat. An Occidental Occurrence is on the books for Tuesday, Oct. 29. The bus will leave the Center at 10:15 for Occidental, where lunch will be eaten at the Union Hotel. En route home, the Seniors will have an opportunity to visit an apple processing plant. Call Trip Chairman Minnie Ingraham at 526-3078 for particulars and reservations. The luncheon Wednesday, Oct. 9, at which we will honor the Soroptimist club will be served at 12:15 p.m. at the Center. After all the nice things the Soroptimists have done for us, we feel it is a privilege to reciprocate in this manner. Members only. For further information, call the Center at 526-1601 or 525-5704.

Norman McRae Speaks To Berkeley Garden Club

Berkeley Garden club members will have a treat when Norman McRae, from the Australian Consul General's office, will talk on "Australian Vegetation and Its Similarity to That of California."

Members are asked to bring specimens of plants similar to those grown in Australia, such as various bottle brushes, the Eucalyptus tree, native to Australia, of which about 300 species have been discovered—some of them measuring more than 300 feet in height.

Various species of Wattle, belonging to the acacia family, are of commercial importance—used in tanning. The flower of the golden wattle is the national flower of Australia. The native plant and animal life of Australia is the most curious and interesting in all of the world. More than 10,000 species of plants are found nowhere else in the world.

Mrs. C. Clark Rocca, president of the club will conduct the business meeting at 1 o'clock in the Brazilian room, Tilden Park, Tuesday, Oct. 15. Mrs. Rocca and Mrs. J. F. Roberts will provide the flower decorations.

Miss Rose Glavinovich, chairman of the exchange table will be assisted by Mesdames W. H. Adams, James G. Craig, Addison H. Fording and Henry W. Grady.

Mrs. Talbot Evans will have the new National calendars for sale.

Mrs. Addison H. Fording, membership chairman, will introduce four new members: Mesdames R. P. Henke, Margaret M. Lynn, A. W. Horn and Martin McKee.

The Oct. 1 board meeting will be held at the home of the president, Mrs. C. Clark Rocca at 10 o'clock.

There will be a succulent study group at the home of Mrs. James Cason, Oct. 9, 10 o'clock with Mrs. J. Willard Humphrey leading the group in the study of Mosembryanthemums.

On Oct. 22, members will meet at the Northbrae church at 10 and go on a tour to Saratoga, where they will visit Montalvo, the former home of Senator Phelan. They will visit the bird sanctuary and the arboretum as well as enjoy the art exhibits.

Cougars Defeat CSD by 19-7

The wildly enthusiastic crowd at Cougar Field was heard in several nearby communities on Friday as they cheered the Albany High Cougars' convincing defeat of CSD by a score of 19-7.

After a scoreless first quarter, Bruce Schroffell broke off tackle for a 38 yard touchdown run. Unfortunately, this lead was nullified a few plays later when the Eagles intercepted a pass and scored. At half time, the dejected Cougars were behind 7-6.

In the third quarter, Bruce Schroffell again led the way as he scampered 17 yards for his second touchdown. This time, Rich Goforth's PAT was successful.

Some of the tension was removed from the game in the fourth quarter when Vaughan intercepted a CSD pass. Aided by a 21 yard pass play from Marc Granko to Vaughan Nordby, the locals marched to the 1 yard line, where Schroffell drove for his third touchdown.

Helping immeasurably with the offense was Steve Valenzuela, who romped 49 yards to go with Schroffell's 107 yards.

Led by Curt Pihl, Peter Heymans, Mike Granko, Steve Eggert and Marc Granko, the Cougars were able to limit the visitors to only one first down until late in the fourth quarter. Needless to say, the Albany team and coaches were tremendously pleased with their first victory.

AHS Junior Varsity Wins 51-0

Shawn Ridley scored four touchdowns to lead the Albany High school JV's to a 51-0 rout of CSD, played on the losers' field. Ridley garnered his scores on three long runs from scrimmage and one pass from AHS quarterback Bob Fisher.

Ahead 19-0 at the half, Coach Wes Greenwood emptied the bench in the second half, which allowed the reserves to take up where the first stringers left off. Fullback Mike Willis scored on a 10 yarder, and, to cap the scoring, reserve quarterback Ray Straub tossed three touchdown passes: two to end Tony Diaz and another to Tim Johnson.

The effort brought praise from Coach Greenwood for Tom Miller and Barry Hexton. Coach Greenwood, however, was understandably concerned about all the penalties assessed during the game and had special words of consolation for his excellent halfback, Herb Russell, who scored three touchdowns on long runs from scrimmage, only to have all called back because of infractions.
